THREAD: Aaron Wolkind is the Sergeant-at-Arms of the Philly Proud Boys.

He was part of the group that threatened Gwen Synder, a researcher covering the far-right, late Saturday, calling her "that fat bitch" and warning her to stop.

6/ And Aaron Wolkind himself is a dangerous person.

He trains in MMA at @Quintellamma and can be seen in a photo below threatening a counterprotester with a can of mace at a rally.

7/ The police won't protect us here.

In fact, the cops routinely protect the far-right at rallies.

As a community, we need to show violent hate groups that we don't tolerate predatory violence in our neighborhoods.

9/ We can beat the far-right, but it's going to take all of us working together.

If we don't do this, no one else will.

So pick up the phone.

Who's got this?

We got this.

If you'd like to point to a recent incident of hate from the Proud Boys, talk to Aermen about why they're employing Aaron Wolkind, whose group recently dropped an antisemitic banner targeting an Orthodox community in NYC.

1/ After their failed fascist rally on Saturday, the Proud Boys hung three banners along NYC highways.

Let's talk about the dogwhistle antisemitism in this one, which was hung near an Orthodox Jewish community.

It repeats an old conspiracy theory about Jews and pedophiles.
